Service and offer are not available everywhere. Rate is available to new CenturyLink® Prism TV customers who sign up by 10/15/2016. After 12 months, standard monthly rate will apply. A CenturyLink-provided set-top box ("STB") required to view TV. CenturyLink-provided modem required for Prism; lease (\$9.99/mo. fee) or a one-time purchase (\$99.99) option available (S&H applies). If customer elects to add a second or more STB, a \$9.99/mo./STB fee (standard or wireless) will apply. If selected, a \$9.99/mo. fee for Whole-Home DVR and an \$11.99/mo. fee for HD service will apply. Depending on your location, promotional discounts may not apply to first partial month of service. Rate excludes taxes, fees and surcharges which are based on standard, not promotional, rate. If customer cancels one of the required bundled services during promotion, all promotional rates are void. Credit approval and deposit may be required. Customer must remain in good standing and offer terminates if customer changes their account in any manner. Rates, packages and programming are subject to change without notice. Additional restrictions may apply. CenturyLink may cancel, or substitute offers and services, or vary them by service area, at its sole discretion without notice. All products and services listed are governed by tariffs, terms of service, or terms and conditions posted at centurylink.com. See centurylink.com/help for taxes, fees and surcharges. **Prism – An early termination fee of up to \$20, multiplied by the number of months remaining in customer's then-current term commitment, if customer terminates Prism service before the end of the applicable term commitment (up to \$250 max.), will apply.** Subscription to Prism service in certain Prism territories may require a separate local phone service and preclude customers from purchasing high-speed Internet services from any third party. Local channel availability varies by market. Of the 4 video streams per customer residence, customer's location will determine both HD availability and the maximum number of HD video streams (between 0 and 4) a customer can view and record in HD at any one time (remaining streams will be standard definition) regardless of the number of STBs in the household. Additional charges will apply for additional programming packages, movie channel subscriptions (except for certain movie subscriptions included in Prism Preferred or Premium packages), Pay Per View movies and events, On Demand purchases, and premium services/subscriptions for all plans. CenturyLink-issued equipment and professional installation are required. Professional installation provided at no additional charge for standard install; other fees may apply for abnormal situations. Included equipment will vary and be determined by Prism package selected. Equipment Return Policy (30 days after service disconnect; applicable charges for unreturned/damaged equipment) applies; see Prism terms and conditions at centurylink.com. **Wireless Set-Top Box ("WSTB")** – A \$9.99 monthly recurring fee per WSTB will apply for all Prism packages; limit 3 per household. A one-time \$49.95 surcharge will apply to a second and third WSTB requested. Range is limited; power and connection to TV are required. Additional restrictions may apply. **Prism on the Go** – Prism on the Go offers content through the centurylink.net portal, programmer-supplied apps, and an internal facilities-based app (Prism TV app). The content accessible to individual subscribers depends on their Prism package, device, location, and how they are accessing the content and will vary accordingly. Third-party terms and conditions apply to programmer-supplied apps. **Prism TV Mobile App** – Certain content can be viewed within subscriber's home only. Download and viewing ability requires subscription to a Prism TV package, qualifying device, and WiFi connection when away from home. Terms and conditions apply. **Prism 30-Day Satisfaction Guarantee** – Applies only to new, standard, residential CenturyLink Prism service in select markets ("Service"). To be eligible, customers must cancel Service no later than the 30th day after Service activation at customer's residence, complete online form at [www.centurylink.com/30days](http://www.centurylink.com/30days), and return equipment (all set-top boxes and power cords required) as instructed by CenturyLink within 30 days of disconnection date. CenturyLink will credit the following applicable charges to customer's CenturyLink invoice within 60 business days following the later of disconnection date and return of equipment, provided customer has satisfied all requirements outlined above: monthly recurring Service charges, monthly recurring equipment charges, shipping and handling fees for equipment, professional installation fees, activation fee, and all applicable taxes, fees and surcharges related to Prism Service and equipment. Incurred charges for any Pay Per View movies and events and On Demand purchases ordered are not eligible. May not be available with other offers or promotions. # INSTANT COUCH POTATO PET

Not all of us have a couch-side companion. Maybe due to allergies, expense or general dislike of finding hair everywhere. Or maybe your pet is disinterested in TV as it swims aimlessly in a bowl or runs in literal circles on a wheel. Dry your lonely tears though, because here is a little buddy made to watch TV with you, and you don't need to worry about it peeing on the carpet.

## INSTRUCTIONS

1. Use scissors carefully to cut out your Couch Potato Pet on the back of this page.
2. Summon your four-legged sidekick, if you have one, to your TV room.
3. Turn the TV to your favorite show.
4. Get comfy on the sofa with your new Couch Potato Pet, and maybe your existing furry friend, too.
5. Post a photo of your binge-watching buddies to your favorite social channel with #CouchPotatoPets and share with your friends.
